

# What plants are in GLAS Wild Bird Cover? Option 1

With one of  
the following

Oats or Triticale

Linseed

Oilseed rape or Mustard

Early growth

Later growth

# What plants are in GLAS Wild Bird Cover? Option 2

Kale

Option 1

Triticale & Linseed in image above

If farmers select Option 1 they must divide the Wild Bird Cover into two sections, one section will be Kale & the second section will be a mixture of Option 1
